## atre of Europe and Chelsea Theatre in Rep – Review

October 11, 2016 9:18 am By [Joseph Winer](#)

were told as we gathered on a street corner in  
 formed play in the world. The reason for this:  
 human nature, and, more pertinently, the secret  
 people within the walls of their own homes.  
 ends the usual limitations of immersive  
 ming the play in a domestic home but delving  
 spontaneous human decisions and experiences

three performers (Cassie Raine, Ben Samuels, and Jamie Zubairi) intertwine the reality of a  
 the play itself to retell perhaps the world's most retold tale of domesticity.

ith family photos, furniture which has entertained, accessories which each have a unique  
 are any treats in the house (as it happens, this Nora was sugar-free), so out came the dates  
 a couple dance together, with dimmed lighting and music, we see before us true sparks of  
 at his wife.

slams the door on the way out. We hide in the dining room, dance in the living room,  
 lasted several decades slowly collapse.

perhaps too patient at times. What they're doing is extremely risky. The participants don't  
quick to destroy the letter, Nora doesn't have to do much to persuade her husband to do  
the performers maintain a focus which keeps us all on track.

reactions from other characters, the plot does progress and we are provided with neat, albeit  
the story are missing or glided over, but this doesn't take away from some of the most  
experienced.
